

THE COLLEGE OF WOOSTER

Safety Protocol

All camp participants must follow any and all safety protocol in place during the camp week. In addition to lab safety, there will be additional precautions in place related to COVID prevention. COVID safety protocol are subject to change at any time as the situation evolves. COVID safety protocol might include rules and procedures related to face masks requirements, spacial/social distancing, symptom screening, and COVID testing.

If any camper develops COVID symptoms during the camp, they will be put in isolation and the parent/guardian will be notified. The parent/guardian must pick up the camper as soon as possible (within 24 hours maximum). The camper will be transported for medical care if deemed necessary.

- **I certify that I have been vaccinated for COVID-19 or have been granted an exemption to this requirement. I further realize that I must show my COVID vaccine card in order to attend camp. Any exemptions must be petitioned for and granted by the B-WISER Project Director BEFORE the start of camp.**
- **I agree that I will follow all laboratory and COVID safety protocols throughout my time at B-WISER camp. This applies at all times on campus as well as off-campus while under the care of camp staff.**

By signing below, I confirm the terms above and agree to adhere to all safety protocol throughout the camp week. I understand that failure to follow protocol can result in expulsion from the camp with no refund.

Signature of PARTICIPANT: _____

Print Name: _____ Date: _____

Signature of PARENT/LEGAL GUARDIAN: _____
