

THE COLLEGE OF WOOSTER

Behavior and Safety Agreement

All camp participants must follow camp rules (provided in a separate document). The rules include adhering to any and all safety protocol in place during the camp week. In addition to lab safety, there may be additional precautions in place related to COVID prevention. COVID safety protocol might include rules and procedures related to face masks requirements, spacial/social distancing, symptom screening, and COVID testing. (Students who are ill and/or contagious will be sent home.)

- I agree that the camp participant will follow all camp rules including safety protocols throughout their time at B-WISER camp. This applies at all times on campus as well as off-campus while under the care of camp staff.
- Further, I contend that the camper is physically able and mentally prepared to participate in all camp activities and to manage their personal care while at camp.

By signing below, I confirm the terms above and agree to adhere to all rules throughout the camp week. I understand that failure to follow rules can result in expulsion from the camp with no refund.

Signature of PARTICIPANT: _____

Print Name: _____ Date: _____

Signature of PARENT/LEGAL GUARDIAN: _____

Print Name: _____ Date: _____
